Why NOVEXPERT ?

clean your skin more than **mes** throughout your life!
Good reasons to choose a cleansing...

WHICH IS CONVENIENT:

clean & make up remover, without rinsing

WHICH IS NOT HARMFUL

hypoallergenic, 100% natural...

WHICH IS DOING GOOD!

Anti-aging - duo hyaluronic acid

Directions for USE

ie drops of micellar water in a cotton.

the **face**, the **eyes** and the **neck** - from the inside side. The micellar water is a **cleanser without** however, you can eventually complete your beauty a **water vaporization** or a toner application.

if **mascara/ crayon** : these 2 makeup products require the use of a Biphase make up remover.
