

## FOR WHO ?

Unisex - from 25 years old - All skin types

- Slackening skin
- Thin skin
- Tired face
- Before or after hyaluronic injection

## FOR WHAT ?

**REPLUMP** Effect (hyaluronic acid, free and fragmented one)

**FIRMNESS** Effect (Novaxylene, apple seeds, commiphora..)

*Show the pure hyaluronic acid in dropper and explain what it is (see brand speech) and makes the encapsulated hyaluronic acid experience to show the repulp effect.*

## WHAT IS UNIQUE ?

**The architect of the face!** It increases the thickness of the skin by boosting the collagen and hyaluronic acid in the dermis.

# THE REPULP CREAM

LABORATOIRES  
**NOVEXPERT**  
PARIS

## STORY

This is such an effective treatment that customers buy it to also apply on their breasts!

SOS urgency.  
Your face is deflating !

*After 50 years old, it remains only 50% of hyaluronic acid in the skin!*

## DIRECTIONS FOR USE

### Day and/or night

Apply small dabs on the entire face and neck. Can be applied on lips and eye contour if necessary.

**Does NOT intentionally contain any chemical sunscreen** (useless below 20 minutes of solar exposure per day and necessary for synthesis of vitamin D).

*If solar exposure is longer than 20 minutes per day, apply a TRUE sunscreen SPF 30 (and if possible without any chemical filters).*

## COMPLEMENTARY PRODUCTS

- To boost the replump effect, use the **Repulp Mask** (immediate effect).
- To boost the lifting effect, use the **Instant Lifting Serum** (visible effect in 5 minutes).
