SALES ADVICE

"Swimming pool, sea water, sun, wind, cold, intense sport, stress... whatever the type of aggression against your skin, the Repulp Mask is THE SOS care to use as many times as it's necessary" A TRUE MUST!

THE REPULP MASK

LABORATOIRES
NOVEPERT
PARIS

STORY

It is the care used by surf champions during summer time and by mountain climbers during winter up to the Everest!

DIRECTIONS FOR USE

To be applied as often as your skin requires.
If the skin feels tight, flushed or heats

*BABY SKIN PROGRAM
TO RECOMMEND TO
NEW CUSTOMERS. ABSOLUTELY!*

Step 1: use the Expert Exfoliator then rinse with warm water, then gently dry and apply the Repulp Mask.

*Step 2: Hydrotherapy with Repulp Mask
After having let the mask (10-20 min), rinse with hot water for 2 minutes, then immediately warm / cold water for 2 minutes.*

Step 3: The Repulp Cream (or for dry skin, the Expert Anti-Aging Cream).

A TRUE MIRACLE !

COMPLEMENTARY PRODUCTS

- To boost the replump effect: use the **Repulp Cream** (long term effect).
- To boost the Baby skin effect: use the **Expert Exfoliator** (visible effect in 5 minutes).
